

**Request for expression of interest for market research aimed at identifying economic operators to be invited to the procedure concerning: execution of experimental tests in a tunnel / large-scale wind simulator for the study of ground radial flows produced by downburst (European project “Detection, simulation, modelling and loading of thunderstorm outflows to design wind-safer and cost-efficient structures – THUNDERR”, Resp. Prof. Giovanni Solari) CIG 7665147767 - CUP D32F17000730006**

**Deadline 28/11/2018, ore 12:00**

### **1. INTRODUCTION**

With this notice, a market investigation is started in order to identify, in compliance with the principles of free competition, equal treatment, non-discrimination and transparency, economic operators interested in expressing their willingness to participate in the procedure for entrustment, pursuant to art. 36, paragraph 2, letter b) of Legislative Decree 50- 2016, of the service object of this notice.

### **2. SUBJECT OF THE SUPPLY**

Execution of experimental tests in a large scale wind tunnel / simulator for the study of ground radial flows produced by downburst, as better specified in the technical annex 1.

### **3. ESTIMATED INDICATIVE OF THE SUPPLY**

€ 77.500,00 in VAT-exempt regime pursuant to art. 72, paragraph 1, lett. c), D.P.R. 633/1972.

### **4. FUNCTIONAL AND PERFORMANCE INDICATIONS AND NEEDS**

See technical Annex 1.

### **5. REQUIREMENTS**

Any economic operator with the following requirements may express interest in participating in this notice:

#### **General requirements:**

Absence of the grounds for exclusion provided for by art. 80 of Legislative Decree no. 50/2016.

**Professional suitability requirements:**

Registration to the CC.I.AA. with a social object compatible with the activities related to this notice (or in a similar register of the country to which foreign companies belong)

**Technical-professional capacity requirements:**

The operators must be in compliance with all the authorizations / legitimations necessary to perform the requested activity.

**6. METHOD OF PRESENTING THE EXHIBITION OF INTEREST**

The subjects interested in the present market survey must send to the address [promozionesviluppo@unige.it](mailto:promozionesviluppo@unige.it), the request for participation as per Annex A - by 12:00 noon 28/11/2018. It is highlighted that the instance:

1. a photocopy of the identity document of the subscriber must be attached;
2. NO economic offer must be attached.

It is understood that the request does not constitute proof of possession of the general and special requisites required for the assignment of the service, which must be declared by the interested party and ascertained by the contracting authority in charge of the persons invited during the awarding procedure and in compliance with the requirements contained in the letter inviting the procedure.

**7. EXAMINATION AND POSSIBLE SELECTION OF CANDIDATES**

The requests received will be examined by the sole responsible of the procedure (RUP), Dr. Mario Picasso, who will verify compliance with the requirements of this notice. The RUP may request clarifications and additions that must be submitted no later than 5 days from the sending of the request to the email address indicated by the competitor.

**8. TREATMENT OF PERSONAL DATA**

Pursuant to the 2016/279 European Regulation (GDPR) it is specified that the processing of personal data will be based on lawfulness and correctness in the full protection of competitors and their confidentiality; the processing of personal data has the purpose of allowing the assessment of the suitability of the competitors to participate in the procedure of assignment in question. It is hereby informed that the declared data are used by the offices exclusively for the investigation of the petition presented and for the formalities connected to it. The data will not be disclosed to third parties.
